

Privacy Policy

Flynn Pharma Limited built the SNappD app as a Free app. This SERVICE is provided by Flynn Pharma Limited at no cost and is intended for use as is.

This page is used to inform visitors regarding our policies with the collection, use, and disclosure of Personal Information if anyone decided to use our Service.

If you choose to use our Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at SNappD unless otherwise defined in this Privacy Policy.

Information Collection and Use

Data input into the SNappD app are private information, and as such Flynn Pharma Limited will not have access to your/the user's personal information. All data shall be held 'on-device' and shall only be shared with third parties if initiated by you/the user.

For a better experience, while using our Service, Flynn Pharma Limited and its developers may seek to access analytics data created by the app and reported via data analytics portals. These data may report experience metrics, such as download data and provide information about the app performance but shall not contain personal data which has been input to the app. Anonymised information relating to App use will be interrogated using widely available analytics tool as provided by the App Store hosts. The information that we access will be retained by us and used as described in this privacy policy.

The app does use third party services that may collect information that could be used to identify you.

- Apple Developer Analytics

This App is not designed to provide medical advice or clinical judgement. Data input to the app may be reviewed by a trained medical professional with your permission, or used by the user to help monitor and understand sleep performance.

Log Data

We want to inform you that whenever you use our Service, in a case of an error in the app we collect data and information (through third party products) on your phone called Log Data. Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilising our Service, the time and date of your use of the Service, and other statistics.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

This Service does not use these "cookies" explicitly. However, the app may use third party code and libraries that use "cookies" to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Service Providers

We may employ third-party companies and individuals due to the following reasons:

- To facilitate our Service;
- To provide the Service on our behalf
- To perform Service-related services; or
- To assist us in analysing how our Service is used

We want to inform users of this Service that these third parties may have the same access to your Personal Information as Flynn Pharma Limited does. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Security

As Flynn Pharma Limited does not retain or hold any data input to the app we have no responsibility for the safety of this data. We recognise the need to protect your data while on-

device and as such have built a robust App which stores data securely. We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. Where the user decides to transmit data outputs over the internet to others, we remind you that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us. Therefore, we strongly advise you to review the Privacy Policy of these websites. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Children's Privacy

These Services are intended for use by adults and do not address anyone under the age of 13. The App may be used by parents or another adult, to record data for children under the age of 13. Flynn Pharma Limited does not hold data added to the SNappD App, and so we do not knowingly collect personally identifiable information from children under 13. In the case we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to do necessary actions.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.

Contact Us

If you have any questions or suggestions about our Privacy Policy, do not hesitate to contact us at SNappD@flynnpharma.com.
